

Why Working with Axcelera Ltd is a Great Choice for Your Career

Axcelera is currently recruiting for an experienced Fractional Financial Controller to join our team in London.

Imagine being a Financial Controller who can choose your own clients, set your own schedule, and enjoy the freedom and flexibility of working on your own terms. Whether you're an independent FC who's ready for a new challenge, a corporate FC who's tired of the same old routine, or a working or returning FC parent who values work-life balance, this is your chance to make a difference.

As a Financial Controller, you'll be part of the team that supports visionary private businesses, empowering them to achieve their dreams. You'll go beyond the numbers and help them shape their finance function. You're not looking for a job, you're looking for a mission. You have the drive, the skills, and the attitude to help our clients succeed, whether they are business owners, entrepreneurs, CEO's or MD's.

The Role

As a self-employed Financial Controller at Axcelera, you will join our team and work with a portfolio of clients across various sectors and industries. You will be responsible for:

- Providing and reporting on cash flow; including managing and reporting on debtors and creditors where appropriate
- Providing the client with timely and easily understood, forward-looking financial information, which gives them clarity about the performance of their business and helps them make business decisions
- Providing robust analysis of the performance of the client's business and making suggestions for improving profitability and cashflow
- Providing forecasts that are accurate and reasonable to enable confident decision making
- Implementing financial controls and processes that are robust and relevant to the size and type of the client's business and managing the quality, efficiency, and delivery of the rest of the team where applicable
- Creating and managing the budgeting process
- Supporting the efforts of the Business Owner, Finance Director or Chief Financial Officer
- Communicating effectively, with excellent written, and oral English language skills
- Working collaboratively with other members of the Axcelera team, sharing knowledge and expertise, and contributing to the continuous improvement of the service.

Experience, Knowledge, and qualifications

- Fully qualified Financial Controller (ACCA/CIMA/ACMA/FCCA/ICAEW) with experience in managing a finance team
- Or QBE (must be able to demonstrate the energy and personality which resonates with our clients)
- Proficient in double entry, cashflow, forecasting, and budgeting
- Experience with cloud accounting systems (e.g. Xero, QuickBooks, Sage).
- Proficient Excel user
- Experience of presenting management reports and KPIs to directors and board
- Technical understanding of various industries and sectors
- Experience in functional organisation and management of a team, including deliverables
- Able to clearly express numbers in a commercial way
- Experience and understanding of setting up/enhancing a finance function, including developing relevant finance controls and processes
- Experience in being able to build relationships across all levels

You

You will be a commercially minded finance professional who is looking to use their knowledge and experience to give something back.

You will have a growth mindset, constantly staying abreast of the latest thinking in the industry to deliver the greatest value to our clients.

You will work closely with our team of Finance professionals in a highly supportive environment, to create a great fractional finance function which perfectly aligns the strategic and operational facets to give our clients the numbers that accelerate their growth.

You will be available for a minimum of 2 days per week and work 7.5-hour days on a self-employed basis.

Can travel happily within 45min to work with clients onsite, although most of our clients work on a hybrid basis so there will also be an element of home working.

You are confident, resourceful, take pride in your contribution, able to work to deadlines, and are well organised.

Why Us

We are a group of entrepreneurs and commercially minded finance professionals who have worked in and run corporates, start-ups, scale-ups, and SMEs. With our extensive experience, we understand the challenges and opportunities that businesses face in today's dynamic market.

Often SMEs do not understand the benefits of a Financial Controller and over pay for a CFO/FD or pay for a bookkeeper that can't deliver what is required. We do. And with our extensive London network we are well placed to deliver you the clients that will help you build a sustainable and steady income whilst allowing you to work flexibly.

Our team of experts is dedicated to providing our clients with the right information at the right time, helping them make informed financial decisions and achieve their business goals.

Working with Axcelera will mean you'll be able to work portfolio with amazing clients who really value the work you do with them. You'll be part of a dynamic, fun team that wants to help our clients grow.

Are you ready to accelerate your career and make an impact on many businesses and people's lives?
Come and join us!

Pay

We operate a self employed model and will pay between £45-£55ph
